Dear: F&H Martin Ministry International

CC: Rev. Dr. Hyacinth C. Martin and Mr. Frederick Martin

I would like to thank your wonderful ministry F&H Martin Ministry International for your generous contribution for Noah and Abigail's education expense, your thoughtfulness has touched our hearts in a way we can't explain.

Our hearts are full of joy and gratitude, my family and I will always be grateful with you. Thank you for thinking of Noah and Abigail and believing in them and their education.

We promise that we will use your contribution properly; half will go towards their NY529 College fund account, and the other will cover school expenses.

Thank you once again for your kindness and generosity; words are not enough to express our appreciation. May God Bless you always and have wonderful Holidays.

Yours Truly,

Lourd
